

Hello, my name is Edmond Ng and I am a graphic designer from Toronto, Canada¹. I received my Bachelors of Design² from York University in 2007 and since then I've worked professionally in Toronto^{3,5} and New York⁴. Those great experiences gave me the chance to build my skills⁵ in graphic design and as well test them. Sometimes nice people even give me awards⁶. Currently I'm located in ~~New York~~ Toronto, working at Concrete Design & Communications. But feel free to contact⁷ me or check out my portfolio at www.edmondng.ca.

1 _ Actually I grew up in Midland, a town about 2 hours north of Toronto.

2 _ **York University/Sheridan College** _ 2003 – 2007
Honours Bachelor of Design Degree Graduate
Head of Graphics Committee for YSDN 2007 Undergraduate Design Show
Member of the Design Students Association

3 _ **Underline Studio** _ July 2006
Intern Designer
Photographed completed work for portfolio. Researched visual strategies.
Developed and executed concepts. Washed the occasional dish.

4 _ **Tender** _ September 2007 – April 2009
Designer
Researched visual strategies. Developed and executed concepts. Photographed completed work for portfolio. Directed interns and juniors. Managed web assets for development. Addressed client feedback on revisions.

5 _ **Concrete Design & Communications** _ June 2009 – Present
Designer
Researched visual strategies. Developed and executed concepts. Addressed client feedback on revisions. Basically normal design-y stuff.

6 _ Asides from being well versed in the usual Adobe software suite and errand running, I also have a strong knowledge in programming (HTML, Javascript, CSS, Actionscript 3.0 and Processing) and photography.

7 _ Philip Sung Design Associates Honourable Mention for Typography 2007
Koskie Minsky Honourable Mention of Excellence for Central Ontario 2007

8 _ **Edmond Ng** (most people just call me Ed)
